

EMSIOnlineSM

For 35 years, EMSI has been a trusted industry partner. As a leading provider of paramedical examinations, and the largest provider of medical records retrieval services, we offer services through 230 paramedical offices staffed by over 5,000 paramedical professionals, and six call centers.

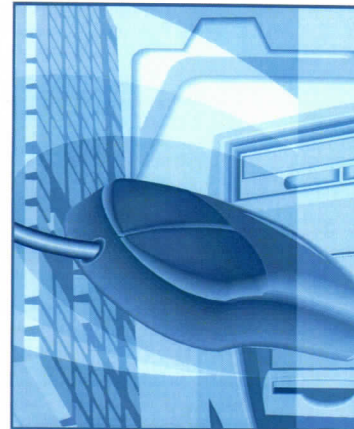

How does EMSI provide quicker, easier access to exams and results? By harnessing the power and speed of the Internet, EMSI enables quick convenient access to our unmatched services.

EMSIOnline is a one-stop Web site where you can order and check status of paramedical exams, attending physician statements (APSS), inspection reports and motor vehicle reports (MVRs). You can even view results for paramedical exams and APSS if authorized.
